About HOODIADRENE

HOODIADRENE™ contains a powerful combination of ingredients in one powerful capsule. The Hoodia in HOODIADRENE is a new, exciting and powerful nutritional supplement that will suppress your appetite like no other product! It tackles every weight problem by the root: it simply stops your craving for food.†

HOODIADRENE is a very powerful thermogenic that gives your a metabolism lift. It is a unique extra strength weight loss formula powered by a revolutionary blend of potent thermogenic compounds. These compounds support the body's metabolic rate and increase energy expenditure to help promote reductions in weight and body fat.†

The proprietary Z-Plex formula in HOODIADRENE contains an extract of the Chinese herb zhi-shi (immature Bitter Orange; Citrus Aurantium). This extract contains alkaloids which are related to ephedrine alkaloids and have similar effects on metabolism and breakdown of fat, that is, they increase the metabolic rate and they also increase the rate of breakdown of stored fat (lipolysis) in the body. HOODIADRENE is the simple way to support weight loss.†

Use HOODIADRENE as part of a healthy diet and regular exercise routine.
