Blocks for  
your Body!**

# **AMINOFORCE**

**AMINO ACID COMPLEX**

## **520MG**

AMINOFORCE™ is a comprehensive amino acid complex that is comprised of 18 free-form amino acids, vitamin B6 and certain digestive enzymes.

# AMINOFORCE

## AMINO ACID COMPLEX

### 520MG

**AMINOFORCE™** by Newton-Everett Biotech® contains amino acids which are essential to the human body. The body, through assimilation of amino acids, produces over 50,000 proteins and over 15,000 enzymes.

#### About AMINOFORCE

AMINOFORCE™ is a comprehensive amino acid complex that is comprised of 18 free-form amino acids, vitamin B6 and certain digestive enzymes. Free-form amino acids are highly bio-available as long as there is an adequate supply of B6.

The body, through assimilation of amino acids, produces over 50,000 proteins and over 15,000 enzymes. Amino acids are not only responsible for the production of all the body's enzymes (including digestive enzymes), but they also play a key role in normalizing moods, concentration, aggression, attention, sleep, and sex drive. Amino Acids form the chief structure of proteins; many of these are essential for human growth, development and nutrition.

Simply put, they are the building blocks of the body. They contain nitrogen, which is not contained in fatty acids and sugars. Protein is vital to every living organism, from the smallest to the largest; all of these organisms are comprised of protein. In addition, protein is necessary to many chemical processes that sustain life.†

### Supplement Facts

Serving Size: 1 Capsule

| Amount per Serving |         | % Daily Value       |        |
|--------------------|---------|---------------------|--------|
|                    |         | (as pyridoxine HCL) |        |
| Vitamin B6         | 8mg 400 |                     |        |
| L-Glutamine        | 62mg †  | L-Alanine           | 20mg † |
| L-Aspartic Acid    | 36mg †  | L-Threonine         | 20mg † |
| L-Tyrosine         | 34mg †  | L-Methionine        | 18mg † |
| L-Leucine          | 32mg †  | L-Arginine          | 18mg † |
| L-Valine           | 32mg †  | Bromelain           | 17mg † |
| Taurine            | 30mg †  | (from pineapple)    |        |
| L-Phenylalanine    | 29mg †  | Papain              | 17mg † |
| L-Proline          | 27mg †  | Glycine             | 16mg † |
| L-Lysine HCL       | 26mg †  | L-Histidine HCL     | 14mg † |
| L-Isoleucine       | 24mg †  | Pancreatin 4X       | 8mg †  |
| L-Serine           | 24mg †  | L-Cystine           | 8mg †  |
