

Senstra®

# Sexual Enhancer for Women!

SENSTRA® is designed especially for women who wish to enhance sexual pleasure, libido, stamina, orgasms, lubrication, climaxes and overall sexual satisfaction and performance.

# Senstra®

## (argidium-hcl) capsules

**SENSTRA®** is designed especially for women who wish to enhance sexual pleasure, libido, stamina, orgasms, lubrication, climaxes and overall sexual satisfaction and performance.

Many women experience a decrease in sexual desire or satisfaction due to contributing factors such as stress, depression, childbirth, menopause or hormonal fluctuations. Most women ignore their feelings, believing that a decline in libido is, just something that happens, not something that can be easily corrected.

#### Benefits of SENSTRA®:

- Advanced formula to increase sex drive in women.
- Heightened Sensitivity.
- Improves sexual desire and function.
- Intensifies pleasure and orgasms.
- Improves stamina and endurance.

SENSTRA® is formulated to provide increased health, and the physical energy necessary for supporting personal physical relationships and intimacy. Since the advent of certain pharmaceutical sex drugs, the scientific community has been focused on finding sexual performance enhancers to boost physiological capability, sexual energy and stamina for both men and women.
