# ISOTROPIN<sup>®</sup> MALE

**ISOTROPIN<sup>®</sup> MALE** is designed to improve overall health of men by providing the body with essential nutrients and balancing the system in order to improve male function.

Introducing ISOTROPIN<sup>®</sup> MALE (For Men) an extraordinary and revolutionary homeopathic formula with HGH.

### Features and benefits:

- Promotes Energy & Stamina
- Promotes Lean Muscle Mass & Tone
- Assists in Balancing Male Hormones
- Supports Prostate Health
- Supports Healthy Circulation

Male Formula is formulated to improve overall health for men by building the body with essential nutrients and improving sexual stamina, desire and assisting erectile function. It promotes healthy function of the prostate, encourages semen production, and increases sexual potency. Male Formula helps to increase circulation and to tone the entire body.

### Key Ingredients:

Contains GH, Cervi Cornu (contains IGF-1) and other ingredients that help build physical strength and increase energy to aid in sexual potency. The four varieties of Ginseng included in this formula are combined in different potencies in order to stimulate circulation, increase energy and enhance mood. Orchic and Adrenal are included to promote a healthy prostate, stimulate semen production, and balance sexual hormones.

Somatotrophin (HGH) 3C, Cervi Cornu 3C (contains IGF-1), 12 Cell Minerals 6X, 12X, 30X, Wild American Ginseng, Korean Ginseng, Chinese Ginseng, Siberian Ginseng 1X/3X/6X/12X, Zinc 3C/100C, Lecithin 3C, Selenium 3C, L-Arginine 3C, Mag.
